

# LLANDEGLA NEWS COMMUNITY SHOP

The hub at the heart of the village

2020

## CORONAVIRUS

*At this challenging time, we would like to assure everyone that we are doing our utmost to support the community.*

*We have removed our £5 minimum spend limit on all debit/credit cards to try and reduce the handling of cash.*

*The shop will remain open, details are overleaf.*

*In order to provide a continued service to the village, and as a reflection of the fact that a number of our own volunteers have self-isolated, we have reduced the shop opening hours from our normal hours to a six hour period across the midday.*

*The Post Office, for similar reasons, has now closed.,*

***As the situation develops, please review our website and Facebook pages for any change in shop/post office hours.***

*Additionally, given that an increasing number of our neighbours are self-isolating, we are offering a delivery service to those who wish it. Again, details are overleaf.*

*For reference, we have provided a list of useful telephone numbers.*

*As the situation develops, we will update our website and Facebook pages to reflect any changes in service that we provide.*

***Keep safe.***
