NO SHOP – NO HEART

*At the heart of the village*

## When and Where

6.30pm

Sunday 25<sup>th</sup> October

Memorial Hall

Our village has certainly felt the impact of the recent closure of the shop and Post Office. In August a packed community meeting unanimously agreed that we should look at ways of restoring the shop (*and the heart of the village*).

A group of residents has been exploring ways of restoring the shop as a community venture. For a variety of reasons it looks unlikely that we can utilise the former shop premises, but it is now apparent that we could take over the former primary school building and develop it as a community hub, as well as a shop.

The working group has decided to call a meeting to-

- Report on the results of our recent community survey
- Explain the plans for the school building
- Explain the steps needed to deliver the community hub
- Nominate and endorse a group committee (necessary to establish it as a formal body, able to apply for funds and enter into agreements).  
If you would like to serve on the committee email [committee@llandeglashop.com](mailto:committee@llandeglashop.com)
- Assess community support for a volunteer-run community shop. Such a venture will rely on the goodwill and commitment of our village.

Please come along and hear about the progress we have made in restoring the shop. If you cannot attend and would like to be kept up to date with developments, please email [committee@llandeglashop.com](mailto:committee@llandeglashop.com). We'd also like to hear from you if you would be willing (*in principle*) to support our community venture by giving some of your time to volunteer, either serving in the shop or 'behind the scenes' - painting, looking after the books or running a website and social media, for example.

Please fill in one of these slips and pass that in at the meeting. Alternatively, you can register your interest on the shop website at [www.LlandeglaShop.com](http://www.LlandeglaShop.com)
